

BTNet is an e-mail network sponsored by the Burning Tree PTA. The purpose is to provide up-to-date information relating to PTA business, school affairs or educational advocacy issues to Burning Tree parents and staff. Typical appropriate content for BTNet would be announcements and reminders of events and meetings, requests for volunteers, and information on inclement weather closings and cancellations. In addition, the PTA posts the "Weekly Update" on BTNet.

Please note, there is a Burning Tree "Community Update" published each week on BTNet for an exchange of information on topics that are **NOT** appropriate for BTNet, such as tutors, child care, community performances, vacancies on sports teams, lost items, etc. Please email Jay Kaufman directly at jfk@kaufmanhome.net to post an announcement on the Community Update.

BTNet is a very important avenue of PTA communication. Please sign up today!

NOTE: If you signed up for BTNet in a previous year, you do NOT have to sign up again.

You may send your information to our BTNet Administrator, P.K. Kannan, at famkannan@yahoo.com, or bring your form to school and drop it in the PTA Forms Box in the lobby or send it in via your child's backpack.
