

## *Burning Tree PTA Membership Form*

Burning Tree PTA invites you to become a member for the 2009-2010 school year. Joining the PTA is one of the most important things you can do for your child at Burning Tree. Your \$25 dues support educational programs for your children such as Science Fair, lunch with a scientist, the school library and cultural arts programs. Your contributions also support fun events for the entire family including International Night, Arts Festival, and the Spring Fair. Each membership comes with a free copy of the indispensable Burning Tree Directory, listing addresses and phone numbers of your children's classmates and other valuable information. With your PTA membership you are also able to vote on PTA matters that directly affect our children and our school. Where else can you get so much for \$25?

Membership is voluntary, but it is required to vote at PTA meetings. PTA memberships need to be renewed every year. We gratefully accept and appreciate any additional donations. Please join today by returning the form below!
